

Al Aqsa Tour Guide

Instructions

- Imagine you are guiding someone around the Masjid Al Aqsa complex.
- You only have time to take them to three different places.
- You will have to pick your places very carefully and justify why you have chosen them. Explain what the purpose behind each place is and what the intended effect on the visitor is.

1. A Muslim Historian

What is the first place you will take them to and why (what is the intended effect of the visit)?

What is the second place you will take them to and why (what is the intended effect of the visit)?

What is the Third place you will take them to and why (what is the intended effect of the visit)?

2. A new convert to Islam who was previously a devoted Christian.

What is the first place you will take them to and why (what is the intended effect of the visit)?

What is the second place you will take them to and why (what is the intended effect of the visit)?

What is the Third place you will take them to and why (what is the intended effect of the visit)?
